

Schweizerecke on Radio 4EB 98.1FM

Dear Swiss compatriots, dear members of the Swiss club,

First I would like to briefly introduce myself: my name is Maria Steiner, I'm from Liestal in canton Baselland. Since 12 years I live in Ipswich, QLD. My husband is Australian, that's why I moved here. It wasn't a must, I love living in Queensland. During my first couple years in Australia, we attended the Swiss events more frequently and I might have met some of you. In the last couple years we usually attend the one big Swiss event per year, the 1st of August celebration at Samford. It is always a highlight.

At last year's 1st of August celebration I got introduced to the German language group of the international Radio 4EB 98.1 FM. Some of you probably know Radio 4EB, they broadcast in over 50 languages from the Studios at Kangaroo Point, Brisbane since many years.

To make a long story short: since November 2017, I co-host in Anja Kapelski's radio program a "Schweizerecke" (swiss corner). For now this program is always on at the second Friday of the month 9:30am – 10:15am. In the greater Brisbane Area you can listen to it on Radio FM 98.1 or via the website worldwide. I usually talk about a typical Swiss tradition and play one or two songs in swiss-german. We also announce current cultural events happening in Brisbane. So please feel free to send us through your event calendar, your wishes for Swiss songs you would like to hear and ideas for typical Swiss topics/traditions to talk about.
