Samichlaus

13 December 2026

For our Christmas celebration we are invited to Urs and Bin's property in Mayborough West.

They will offer a home-cooked lunch. We just bring desserts and nibbles.

As usual we will be able to celebrate in their nicely decorated shed.

We are looking forward to this and hope to get many baked 'grittibaenz' or rather 'angels' for the baking competition. Travellers are welcome to join!

More info to follow via email a bit closer to the date.
